## FISHING SPOTS IN NARRABRI SHIRE

*\* These fishing spots are all on black soil access tracks with the exception of Tarriaro Bridge and the various spots in the town of Narrabri so are impassable during or immediately after rain. Please check with staff at the Information Centre for advice on whether or not they are accessible. Information should be used as a guide only. Information is subject to change without notice and is in no way binding. Please contact the Visitors Information Centre on (02) 6799 6760 to check any details.*

**Namoi Valley Aquafarm- The Namoi Valley Aquafarm is the largest freshwater aquafarm in New South Wales. This is the ideal spot for fishing, relaxation or organising a group tour. There are 31 registered culture ponds of various sizes and all are stocked with Murray Cod, Golden Perch, Silver Perch and Crayfish. To make a booking please call 02 6792 1212. Ask at the Visitors Centre for directions.**
